Leadership Training

- Good team players are willing to deal with all kinds of problems in a solutions-oriented manner. They're problem-solvers, not problem-dwellers, problem-blamers, or problem-avoiders. They don't simply rehash a problem the way problem-dwellers do. They don't look for others to fault, as the blamers do. And they don't put off dealing with issues, the way avoiders do.
- Team players get problems out in the open for discussion and then collaborate with others to find solutions and form action plans.

We conducted 12 classes at Inglewood High School with seven (7) male students and had five (5) field trips this academic year. Our last class was 5/18. The culmination is scheduled for 5/31 with a display of photos from 5/31 through 6/1. The photos will be selected by 5/23, then enlarged, mounted. We also discussed the certificates, monetary awards for the students, along with refreshments. The senior students will have a special awards ceremony on 5/30 at 6p and the school counselor asked if we wanted to present the senior students during that time. Chair, Rhonda is willing to make a special acknowledge, but awaiting confirmation from The Principal. A survey will be given to the students for feedback. Discussed next academic year plans. The committee will meet in August to formalize plans and gear up for the next year. The next meeting is tentatively scheduled for August 30th at my home at 6:30p.

The Engineer Factory

Our STEAM Event was Saturday, May 19th at Martin Luther King, Jr. Elementary School, where Link Eva is principal.

Audrey Thompson has attended two assemblies to provide information and build momentum with students.

We had 85 students sign up.

The event was a success. Full participation from MLK, Jr. students. A few more that had not registered – we were able to accommodate

The students participated in 5 workshops:

1. Air Powered Car
 2. STEAM Glider
 3. Marble Rollercoaster
 4. Gumdrops Structure
 5. Tabletop Towers
- All of the students were enthused and very interested in all of the activities. Some asked if this could happen every Saturday!
 - Snacks and Lunch was provided to all students and volunteers
 - Our WA Director Roxanne Chaquiox attended, share a few words with the students, and stayed the whole day. Link Roxanne really sees growth with STY and The Engineer Factory. The possibilities about where we go from here are endless.
 - We will discuss the possibility of a one-week STEAM camp, we will work out the details on funding and support.
 - Link Roxanne had some ideas on how to make this work.
 - The STY facet committee will debrief and design our next chapter year.
 - Link Eva provided the school's library to be our "Green Room" – where beverages and bites were available to Links and volunteers.
 - The day was a great success.

St. Mary's Academy

- We had 5 SMA students sign up to volunteer for the May 19th STEAM Event
- We will play an integral role with the Onward Scholars who will attend SMA in the fall of 2018. Again, our commitment will be for four years.

Scholarship Application

We had 10 applications. Link JoAnn had taken the lead and reached out to all of college counselors in the high schools in our area. Sent Scholarship applications to counselors.

Link JoAnne reviewed applications and shared with the committee who met our criteria.

Links JoAnn, Rita, and Cameron interviewed the top five candidates, who are:

1. Shemayah Clemons – Morningside H.S.
2. Ashley Choyce-Westchester Enriched Sciences Magnet
3. Gladys-Bella Boma – Morningside H.S.

Meeting Adjourned at 7:45 P.M.

A conference call meeting was held on Monday, May 14, 2018, at 7:00 P.M. The main topic of discussion was the Links Year-End Party scheduled for June 30, 2018, at the Kappa House, [1846 Crenshaw Blvd. Los Angeles, CA 90019](#), from 4 to 8 P.M. Our committee is very excited about the celebration and is hoping that everyone will be attending and inviting friends to celebrate the end of a very position and busy year. The theme is a Caribbean Affair. We will be also highlighting our New Members and our ITS Committee Jamaica Service Event. We will dance to Caribbean sounds from a Steel Drummer and tunes from Master DJ, Reggie. We will enjoy authentic Caribbean foods. The Bar will serve with a special Link Rum Punch as our signature island drink, wine, beer and champagne. All, and much more for only \$20 per person. Tickets will be available for purchase at our May and June Meetings.

The Social and Courtesy Committee would like to report the success of our April Mixture following our meeting. We Exhaled after taxes and enjoyed the good food, drinks and dancing to the Parlor Band.
